Camden Airport CACG
AMG presentation

17 November 2025

Sustainability and community

AMG and community

- Welcome AMG's new General Manager Aviation, Sarah Wills
- Congratulations to Australian Aviation Awards winners:
  - Little Wings
  - Team Global Express
  - Royal Flying Doctor Service
  - Angel Flight
- Industry & Community Project event with University of Sydney students – working together on the transition to net zero.

Safety and wellbeing

- Aeria Safe initiative – new design for Airport Operations vehicles to raise awareness of airside safety
- FOD alert
- Road speed limits
- Celebrating Airport Safety Week 2025:
  - Presentation by NSW Police Sergeant Ryan Edwards on counter-terrorism and airport security
  - Presentation by Captain Richard de Crespigny AM, the lifesaving pilot of QF32, on leadership, teamwork and crisis management.

Reconciliation Action Plan

- Release of AMG's first Reflect Reconciliation Action Plan
- Endorsed by Reconciliation Australia, the RAP includes commitments to:
  - Build First Nations' relationships and engagement
  - Increase employment opportunities for Aboriginal and Torres Strait Islander people
  - Review and enhance anti-discrimination policies and procedures
  - Support greater procurement from Aboriginal and Torres Strait Islander suppliers.

Developments

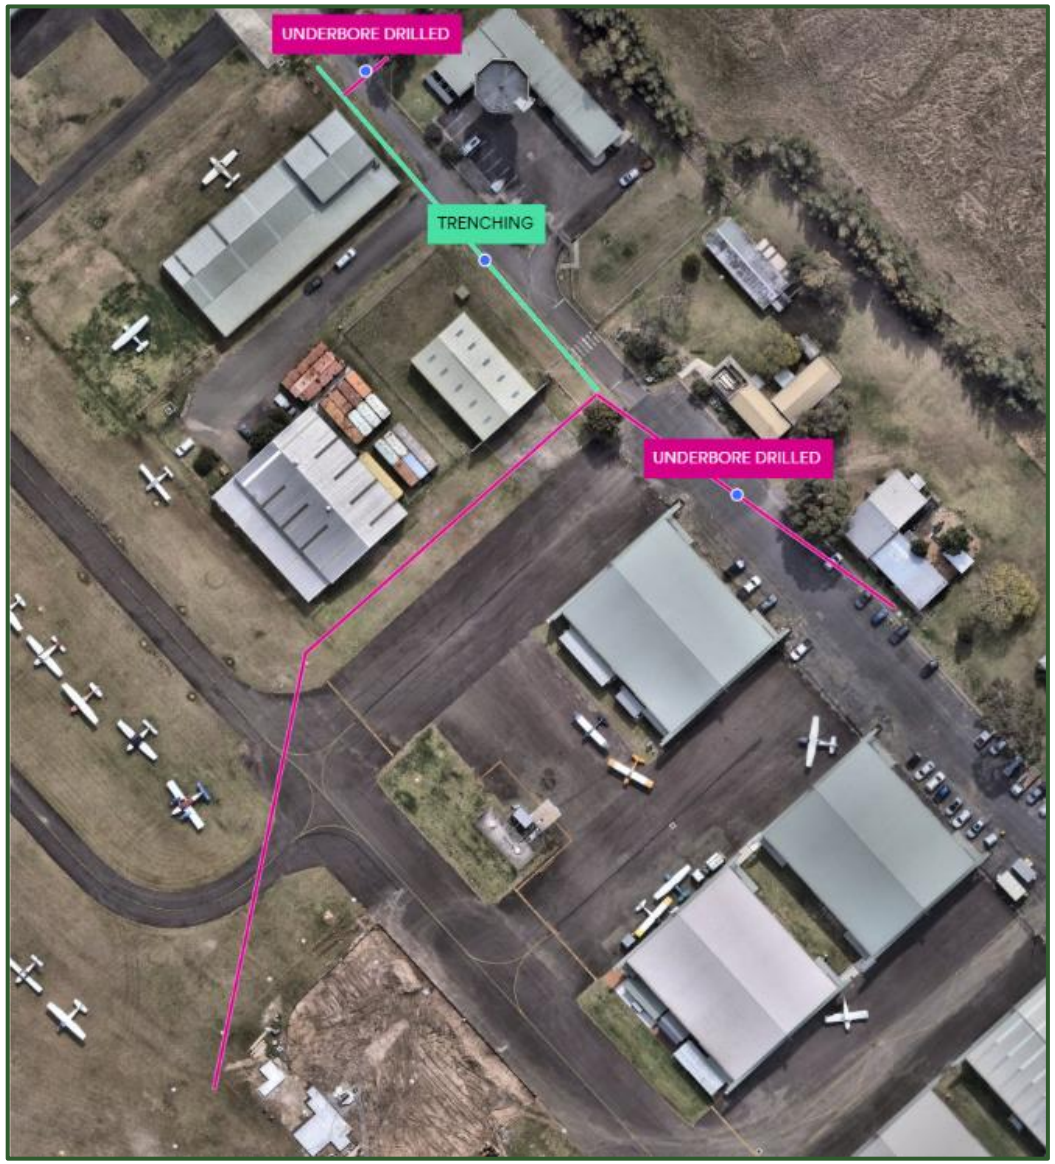
Airport fuel provision

- Relocation of airport fuel site alongside Taxiway D. Works nearing completion
- New airport fuel site to be operated by IOR Aviation – chosen following rigorous and competitive EOI process
- BP to continue operating on-airport alongside IOR, to 31 January 2026, to ensure no interruption to fuel supply
- AMG in regular engagement and consultation with customers
- Airport operators retain freedom of choice to make their own fuel arrangements – subject to airport regulations and requirements
- Fuel site relocation will enable the potential development of a new hangar at the old fuel site – subject to ongoing due diligence and design works.

Infrastructure works and upgrades

Electrical upgrades

- Upgrades to low voltage electrical infrastructure to improve service and reliability, including:
  - Installation of additional low voltage feeder for new airport fuel site
  - Upgrade to existing power cables
- Works commenced October 2025 and scheduled for completion on 5 December
- No impacts to access to customer sites or operations
- AMG managing any minor impacts to common areas, such as roads.



Airport and industry news

Camden Community Cabinet advocacy

- AMG meeting with NSW Roads & Regional Transport Minister Jenny Aitchison
- Advocacy for government upgrades to Macquarie Grove Road connecting to Camden Airport
- Airport inaccessible for days at a time due to flooding – amid increase in extreme weather
- Cuts off access for airport businesses, residents and community
- Flood-mitigation upgrades would support Camden businesses and community
- Thanks to Camden MP Sally Quinnell for her ongoing support.
